Futures – Post-16 Pathways

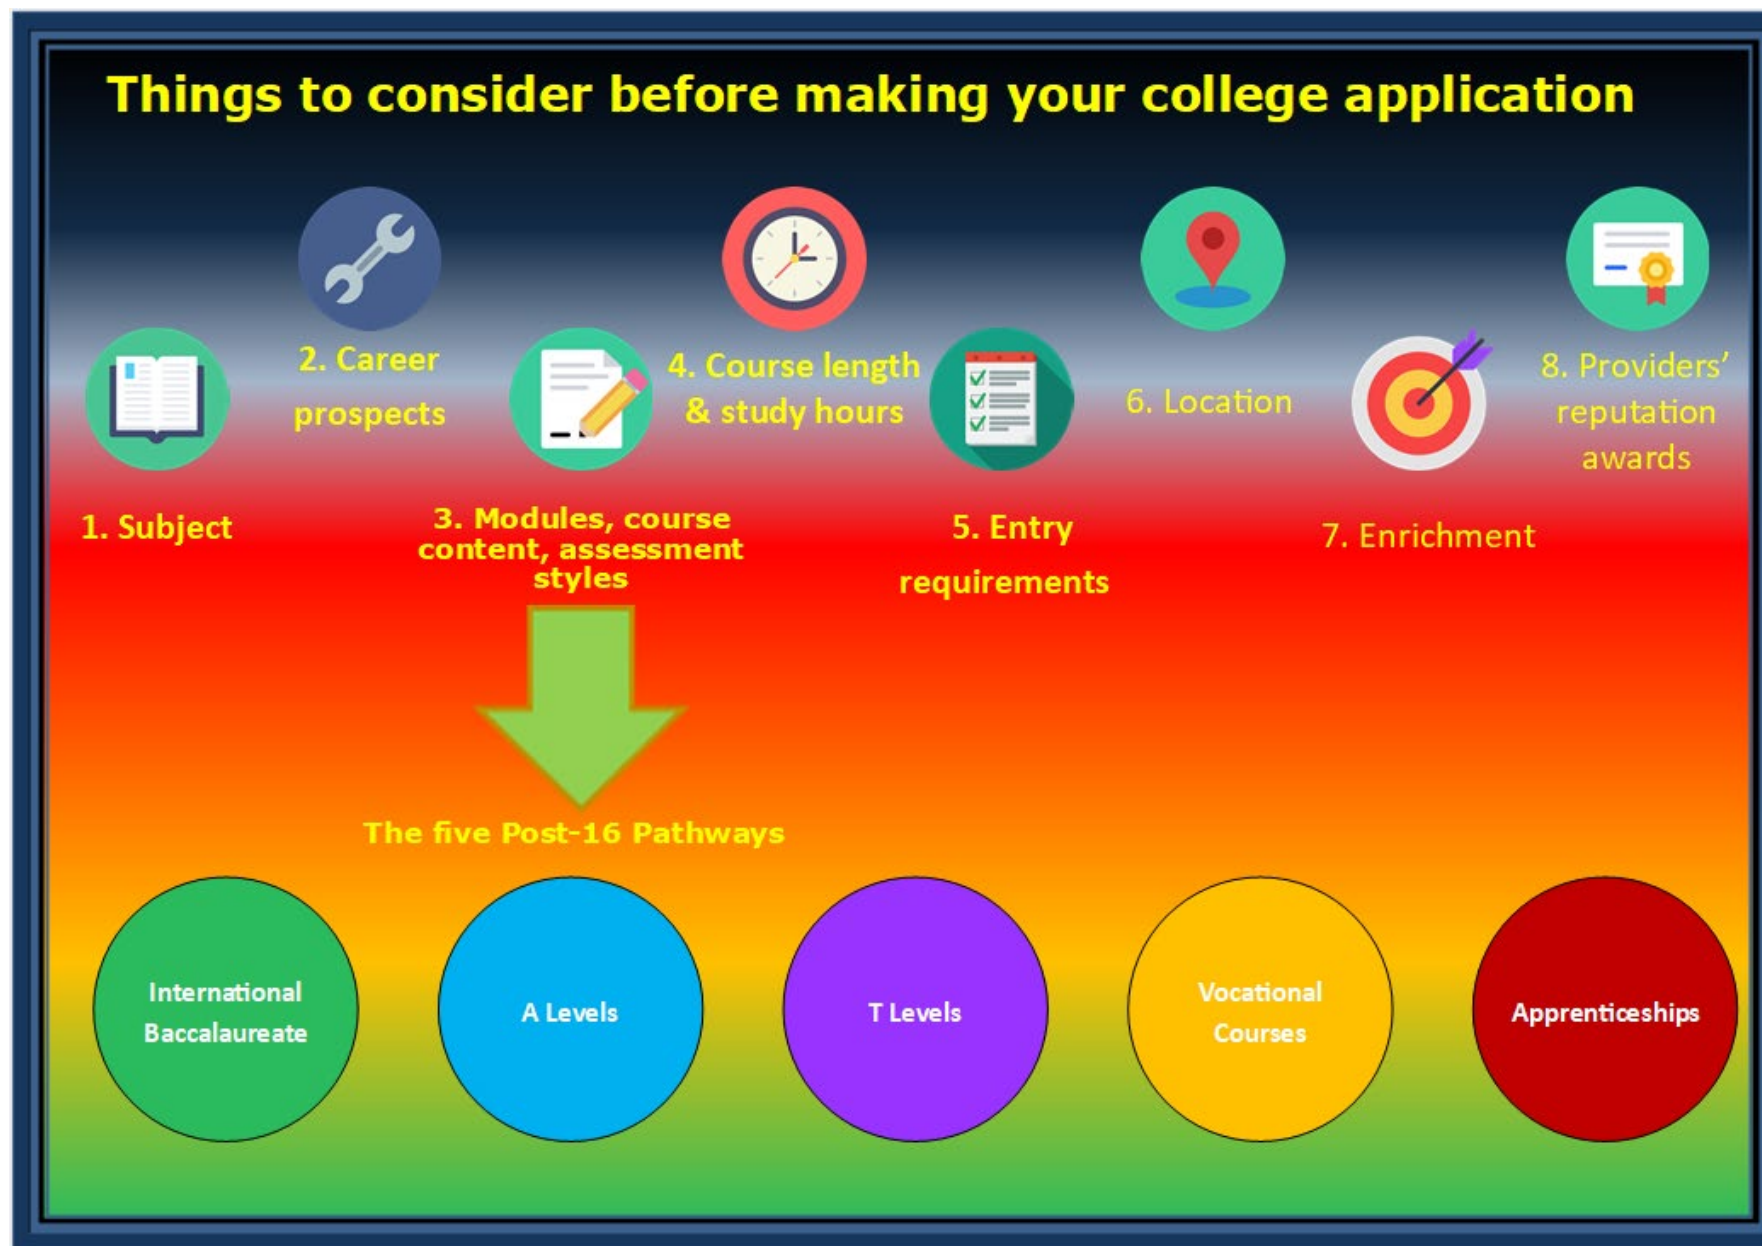

Lots to think about

- What do you want to study?
- Where do you want your qualifications to take you?
- What type of a learner are you?
- Which College or Further Education Provider do you want to study with?

Further Education 16+

1. International Baccalaureate Diploma (IB)
2. Advanced Level Qualifications (A Levels)
3. Technical Level Qualifications (T Levels)
4. Vocational Courses
5. Traineeships / Apprenticeships
6. Work / Volunteering with part time education or training

International Baccalaureate

- Study six subjects
- Keep your options open
- High UCAS points
- University places confirmed early
- Broad and transferable across the world

A Levels

- Academic option
- Three chosen subjects
- Built-in enrichment
- Progression to Higher Education

T Levels

- Built in industry placement
- Specialised skills in chosen career field
- Progression to Higher Education

Vocational Courses

- Focussed learning
- Practical elements
- Progression to Higher Education

Apprenticeships / Traineeships

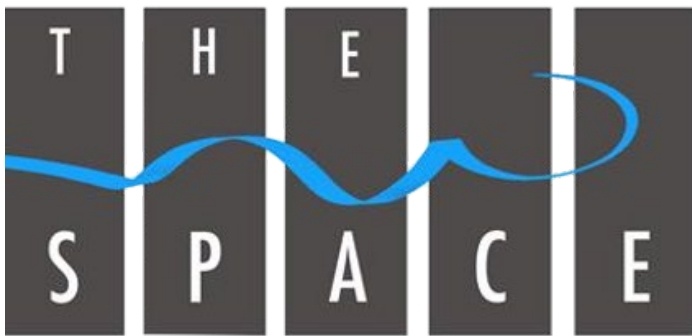

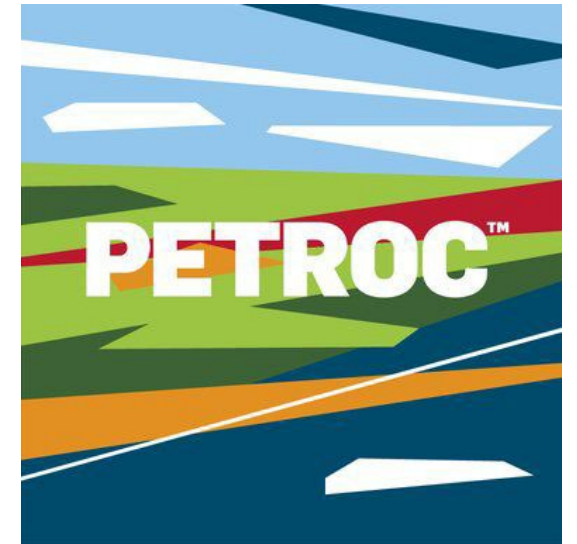

- Earn as you learn
- Workplace training and assessment
- Employee benefits
- 12 to 48 months
- Progression to Higher Education

Work / Volunteering

- spend 20 hours or more a week working or volunteering
- Must remain in part-time education or training

Entry requirements

ENTRY REQUIREMENTS

For all Level 3 courses, you will need five GCSEs (or equivalent) at C/4 grade or above, including Mathematics, and English Language or Literature. For some courses there may be additional requirements, please refer to the individual course pages for details.

If you have concerns about achieving the grades then aim high and apply for the course you want to do. We will offer you guidance following your application to help you reach the destination you are working towards.

ENTRY REQUIREMENTS

Standard entry requirements: You will need eight GCSEs at grade 4 or above, including English Language, and Maths (grade 5).

Subject specific entry requirements or recommendations: Grade 6 in Biology and Chemistry, or equivalent.

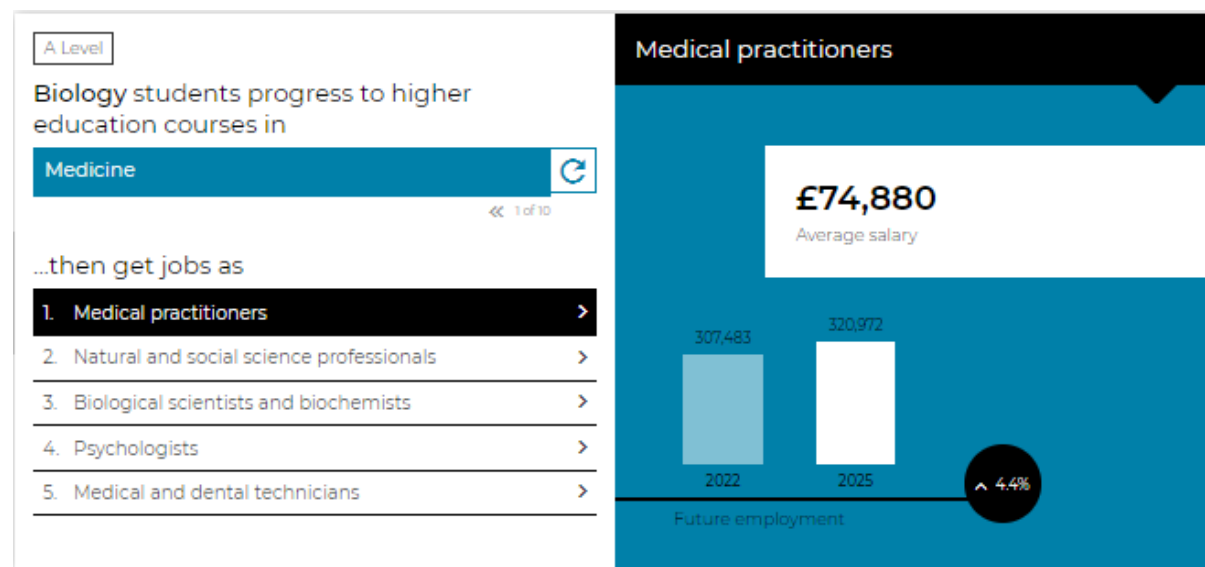

Course Summary	
Course Title	International Baccalaureate
Entry Requirements	You need at least six GCSEs in the 9 to 5 range in a breadth of subjects including English, Maths and Science, and we recommend you have grades 9 to 7 in the subjects you wish to study at Higher Level.

Progression

Progression Options

This course serves as an ideal preparation for university study and provides skills that are relevant to most careers. In 2021, students progressed to prestigious universities such as Exeter, Lancaster and Plymouth to study medicine, children's nursing and biomedicine.

Higher Education 18+

- University
- University Centre
- Higher / Degree Level Apprenticeship
- Employment

How to help yourself

1. Year 9 Options Interview
2. Look at your emails / Class Charts – that's how I communicate
3. Use the information on the schools website
4. Follow Court Fields School on social media

Expectation ...

YOU look and respond to emails and messages sent on Class Charts

How to help yourself

1. Look at College / Sixth Form websites
2. Follow Colleges and Sixth Forms on social media
3. Refer to prospectuses
4. Attend Open Events

Expectation ...

YOU will research and compare Colleges / Sixth Forms

YOU attend Open Events
