Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

12th January 2024

Thanks for your support over another great week at Court Fields. We have had so much going on, with sports teams competing as far afield as Reading(!) in the girls football cup, feedback and review from our Year 11 PPEs, ready for another push to the next set of exams at the end of February, and of course our Futures Programme, which helps to prepare our Year 9s for their Option Choices in a supportive and ambitious way to ensure that they have the knowledge and can make the right decisions to frame their successful futures.

Next week we have our Year 9 Parents' Evening. Of course, all opportunities for parents to meet with subject teachers are important, but for Year 9 that meeting is crucial, so that parents can frame those conversations about options and the move into Key Stage 4. Thank you for all those who have booked appointments so far, and thank you in advance for booking if you have not yet done so. We also have our first Parent & Community Meeting on Tuesday to focus on supporting our Outdoor Learning and Performing Arts enrichment and opportunities for students. I look forward to seeing you there if you can spare the time. Have a lovely weekend, Mrs Matthews.

Under 16s Boys County Cup

Well done to the Year 11 boys who won 3-0 away vs Sexeys Bruton, in the County Cup this week. We saw goals from Lewis O, Joe R and Oliver S. The boys will host Nailsea in the next round. Brilliant work!

Reminder

Year 9 Parents' Evening

Don't forget to sign up for Parents' Evening for Year 9 Students via courtfields.schoolcloud.co.uk. This will be held on 18th January.

Our Big Exercise Promise

We have a plan to get fit together!

Starting in January 2024, every member of our Trust community; students, staff, parents/carers, governors and other family members can join in. The plan is for schools and families to walk, run, cycle, or otherwise exercise together.

Next week we will be launching student and house competitions and sharing details on how we can also fundraise to support our local charity Reminiscence Learning

Exciting details will follow next week on how everyone can get involved.

Childrens Mental Health Week

In February we will be marking Childrens Mental Health Week and we are planning a range of assemblies, tutor time and support activities to complement what we already do. We will continue to raise awareness of mental health,

how we can improve our mental health and how to seek support and what support looks like. As we start 2024 here is an effective guide on how to talk to your child about mental health with great questions and conversation starters.
