Parent Weekly 'What's Happening' Bulletin

Message From Mrs Matthews

Friday 8th March 2024

We've had a great week, finishing Year 11 PPEs and celebrating National Careers Week, World Book Day and International Women's Day! It's certainly been busy, but it has showcased all that is fantastic about our school: clear focus on our curriculum in lessons; being ambitious for and with our students for their outcomes, and a wide variety of enrichment, around reading, careers and the world around us. Thank you to all involved. Next week sees us raising money for Comic Relief. Students will have to pay their donation in advance (by Thursday 12pm) either on Scopay or in cash to their Tutor, on Tuesday or Wednesday in order to wear non-uniform on Friday for Comic Relief. If students have not done this by Thursday 12pm, they will be expected to be in full uniform on Friday. This helps us to collect our charitable donations easily and quickly.

Lastly, a reminder please that all socks in school should be black, whether for sport or uniform! White socks are not allowed. Staff, students, visitors and members of the community have mentioned how smart our students look with no white socks, so thank you for your support. Have a lovely weekend. Mrs Matthews

World Book Day

Sports

Last week our Year 10 students went to Monkton Wood Academy for a game of netball. After battling and waiting for the rain to stop we managed to have a nice friendly competitive game. Well done to those that played. A few things to take away and focus on for next time.

Great to see a full mini bus load of students who were eager to participate in trampolining club held at Whirlwinds. Perfecting skills and learning new ones.

Congratulations Jessica!

We are both proud and delighted to share that Jessica V has been selected to represent GBR Junior Women in the European Championships in April. Very exciting and we wish you the very best of luck Jessica!

Red Nose Day 2024

Year 10 are holding a cake sale on Tuesday 12th March for Red Nose Day. It will be during breaktime outside the LRC and main hall, all cakes £1.

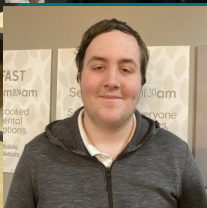

We will also be holding a non-uniform day on Friday 15th, with a suggested donation of £1.

National Careers Week

We've been catching up with our ex students at BTC. For some, the location where you find them makes it easy to decipher their career pathway. Others it's not so easy to work out! But all are happy and enjoying the study programmes they have chosen. We wish all our former students well during National Careers Week 2024.

Great to visit Kayla at work last week, who is about to complete her Level 3 Apprenticeship in Early Years in record time. Kayla has created a stunning learning environment at the nursery for pre-school children, using her creative and imaginary skills.
