Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 22nd March 2024

JUST WOW!!!! I was absolutely blown away by our school production of *The Lion, The Witch & The Wardrobe* this week. Our first production in 5 years was a huge success thanks to the dedication and commitment of our students, Performing Arts staff, our staff helpers front and back stage, those in the community who helped with props, scenery and costumes, as well as parents and families who helped with learning lines, and picking up from rehearsals. What a fantastic team effort. Thank you!! Have a lovey weekend, Mrs Matthews

Geography Competition Winner

A big well done to Riley S (Year 7) who won this year's Geography interhouse competition for his 'landscape in a box'. A beautifully made landscape which was unique and made of sustainable resources. Thank you for your hard work! And well done to all other entries, there was some amazing creativity on show!

The Lion, The Witch and The Wardrobe!

Netball Success

We hosted Kingsmead on Thursday for Year 9 & 10 Netball and came out on top with two wins! Well done to all the girls

involved. Year 7 & 8 played some great netball away to Kingsmead on Wednesday. The Year 7 game in particular was very

closely contested! Well done to everyone. Congratulations to the Year 11 team who finished top of their group with a 3-1 win over Kings College. The Team will now progress to the District Cup Semi

Comic Relief Fundraising

We're proud to announce that the total raised last week for Comic Relief was an amazing £1,353.66! Thank you to everyone who got involved and donated. Check out Flint, our school dog, looking very cute in his red nose!

Year 11 ONLY - GCSE Science Checklists and Revision Resources

Please find the complete GCSE Science checklists for all Sciences attached. You could be examined on any of these topics in the summer so please use these, along with your PLCs from PPE exams, to focus your revision on the areas you are least confident.

Revision guides and work books can still be purchased through scopy. Numerous other free, exam board specific, materials can be found on Cognito and BBC bitesize. We encourage active revision techniques such as flash cards, look-cover-write-check (and exam practice, including Educake).

Year 10 & 11 - Educake Revision Wizard Challenge

Educake are running a national competition to encourage students to use the "Revision Wizard" function to support their independent revision. To enter the prize draw, log in to Educake every week between now and 21st April and use the Revision Wizard to answer at least 10 questions and you'll be in with a chance of winning one of five £50 One4all gift cards.

How do I use the Revision Wizard?

Click on the blue Revision wizard button at the top of the My Educake page.
