Things to consider before making your college application

The five Post-16 Pathways

An Apprenticeship is a paid job where the employee learns and gain valuable experience.

Alongside on-the-job training, apprentices spend at least 20% of their working hours completing classroom-based learning with a college, university or training provider which leads to a nationally recognised qualification.

TODAY
we're talking about
Apprenticeships

questions, so that if you're

Why consider an apprenticeship?

1. It's a paid job - **£6.40** per hour.
2. You get high quality training – **experienced** team.
3. There are a wide range of choices on offer – over **600** different apprenticeships on offer.
4. It's rewarding – training and qualification in a career that interests **YOU**.
5. Apprenticeships are the best they've ever been – give you the skills and experience to get a **GOOD** job in a top sector.
