Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Not much space for me today, but it's been a great week with so much going on! We have had such a great start to our Year 11 formal exams, with the students so focussed and ready to do their best. We also wore green on Thursday to raise awareness of the importance of positive mental health as part of our focus for Mental Health Awareness Week. Prefect Interviews are also finished with some simply amazing standards from our applicants - results will be out next week with Senior Perfect interviews just after Half Term. Have an amazing weekend. Thanks for all your support. Mrs Matthews

Library news!

Welcome to Nicole and Eniola our new library volunteers. They have been busy helping to shelve stock, assist with displays and ensuring the Library is kept tidy and presentable. Thank you both for your contribution, time and commitment to supporting our library.

Insight into Apprenticeships

On Friday the Insight into Apprenticeships group visited The Boston Tea Party, Taunton to experience what it's like to work in Hospitality & Catering. What a trip! The Manager Ollie explained to students the values, work ethic and business model of Facebook, then they had a tour of the establishment, took part in a business challenge, got behind the counter and made themselves a smoothie followed by a complimentary lunch.

Competition time!

We're excited to share this competition from our MFL department! Set yourself the challenge of learning 'Hi, bye, thank you and I love you' in 6 different languages for your chance to win a £20 Amazon voucher! Ms Dudal has shared details via Class Charts. Come to the hall on 20th June, and demonstrate your knowledge to our special jury composed by our bilingual students in school. The

more languages you will know, the more points you will earn. Pronunciation will also be judged. Good luck!

On Your Bike!

We had our second visit from On-Your-Bike last week and what a busy day they had. 23 bikes got MOT'ed with brake cables, brake pads, tyre pressure and general wear and tear checked.

Our thanks to Wellington Town Council for funding this opportunity which was FREE for our students.
