KS3 Graduation

We had a wonderful time at our KS3 Graduation this week! It was lovely to see so many walking the red carpet to celebrate the success of their KS3 journey. Congratulations to all those who received an award.

Fishing trip

A small group of Year 7 boys went to Summerhayes fishing ponds on Tuesday. The aim of the day was for the children to have a lot of fun and catch plenty of fish, with the hope that they will want to come again. This is a non-competitive day; it is purely about the children enjoying themselves, and maybe finding a passion.

World Record attempt

We are proud to announce that we will be taking part in the Jamie Oliver Guinness World record breaking challenge, with small groups of Year 9 Food Technology students next week!

Jamie Oliver is trying to break the record for the largest cooking lesson ever! The current record is 6,778 participants and was achieved by the Partnership for Health in Poland, with 89 schools taking part on 6th November 2015.

The event will be held on Tuesday 1st of July, from 11.00 - 12.30. This will involve the students working in teams. For the challenge they will be:

- making fresh pasta
- using the pasta machines to roll the dough
- shaping and cooking
- preparing and seasoning a fresh tomato sauce
- eating and enjoying this!

Good luck to all the students involved!

Year 10 Work Experience

We wish all our students luck at Work Experience next week. Students that have not been able to find a placement will receive an email to their school email address tomorrow with a link to virtual work experience which they will be expected to undertake. We are not expecting any Year 10 students in school next week, unless they are undertaking work experience with us.
