We're thrilled to announce that Blackdown has officially claimed the House Cup this year! A huge well done to all students and staff who contributed to this achievement! To celebrate, students from Blackdown House will enjoy an hour on the field per year group with inflatables and games, including laser quest, an assault course, bungee run and more on Wednesday 16th July!

We Won!!! Best Careers Focused Secondary School Award at the Somerset Careers Awards.

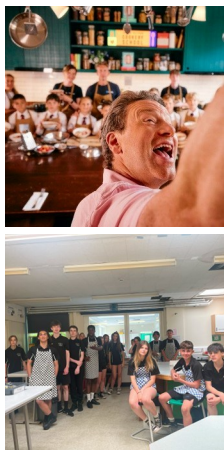

Thank you to all our staff and students who have contributed to this award. A special thank you to Charity for all her hard work and dedication!

Thank you to Somerset Education Business Partnership for a wonderful evening!

Have a great weekend! Mrs Matthews

Guinness World Record!

We're thrilled to announce that Court Fields School played a part in breaking a Guinness World Record with none other than Jamie Oliver! On 1st July 2025, our students joined over 10,500 people worldwide in the largest cookery lesson (multiple venues) ever recorded! Together, we cooked up fresh pasta and a no-cook tomato sauce, learning essential skills and having a blast along the way. This incredible event was part of Jamie's mission to ensure every young person leaves school with the confidence to cook and nourish themselves - and we're proud to be part of that vision. A huge well done to everyone who took part - we made history together!

World Book Day donations

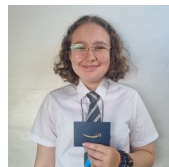

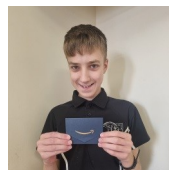

Thanks for all the generous donations received from World Book Day, Nicole and Eniola have been busy organising lots of new books which will be added to our library for September.

Language Competition

Big thanks to all the children who participated in, and judged, our Languages Competition last week!

Students were challenged to learn "Hello," "Goodbye," "Thank you" and "I love you" in 6 different languages that are represented by some of our amazing multilingual children. We're pleased to announce that our winner was a well-deserving Luca, who remembered the most phrases and really impressed our six judges with his pronunciation. He wins a £20 Amazon voucher! A big high five too, for Ashleigh, our runner-up who takes home a £10 Amazon voucher. Finally, a shout-out to our six student judges, who shared their home languages with us all.

Insight into Apprenticeships

It was lovely to welcome Rachel to Court Fields School, the person that makes the Insight into Apprenticeship such a success with the many and varied opportunities the students get to experience. A celebration that, of course, included cake and a certificate of achievement. Well done Skye, Rosie, Jacob, Kerry-Anne, Ashlyn, Harvey, Ashton, Ollie, McKayla and Emilia.

Green Futures

Very impressed with our group of Year 8 students who attended the first Bridgwater's Green Future event last week. Hosted by BTC, Taunton Campus activities focussed on Climate Adaptation and Resilience - looking at climate adaption, design and retrofitting, meeting Climate Ambassadors, finding out about green skills and hearing about progress at the Agratas/Gravity EV battery gigafactory site. A very busy day!
