Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 17th October 2025

It's been a hugely busy week on the sporting front, as you can see from the Sports News below, demonstrating the depth of our sporting talent and the huge commitment of a significant number of our students. We were also very pleased to host our Year 3 Primary Sports Festival this week, the first led by Miss Channon and over 40 of our new Year 9 Sports Leaders. Thank you and well done to everyone involved. Just a week until Half Term, and in this time we're packing in our Year 11 Geography Trip, Prefects' Celebration Assembly and our St Ives Trip! Lots to look forward to! Don't forget that Year 8 Parents Evening is now available to book on Arbor.

Have a lovely weekend. Thank you for all your support, as always. Best wishes, Mrs Matthews

Sports News

1) The U13 Girls Football Team played superbly this week. In an end-to-end game v Tiverton, the scoreline finished 2-1. Well done to all the girls involved.

2) A fantastic evening of rugby for our Yr 8 boys as we welcomed over all the other local schools for a rugby CVL. No official scores taken for this, however lots of fantastic tries, teamwork and learning for the Court Fields boys.

3) Well done to the Yr 10 rugby team who travelled to play a very good Bishop Fox's side this week. Despite a difficult first half conceding 4 tries, the Court Fields boys responded well, took the feedback on board and scored more tries than their opponents second half. Man of the match goes to Ara who was unbelievable!

4) Well done to the Yr 9 rugby team who welcomed over Bishop Fox's. The Court Fields team controlled the game, winning 50-5 in the end, however a much closer game than the scoreline suggested. Well done to all the students involved.

5) Well done to our Year 10/11 and Year 9 netball teams who played against Tiverton last week, on our new courts! Great performances from both teams.

6) Our Year 8 netball team played well at Tiverton this week. Well done all!

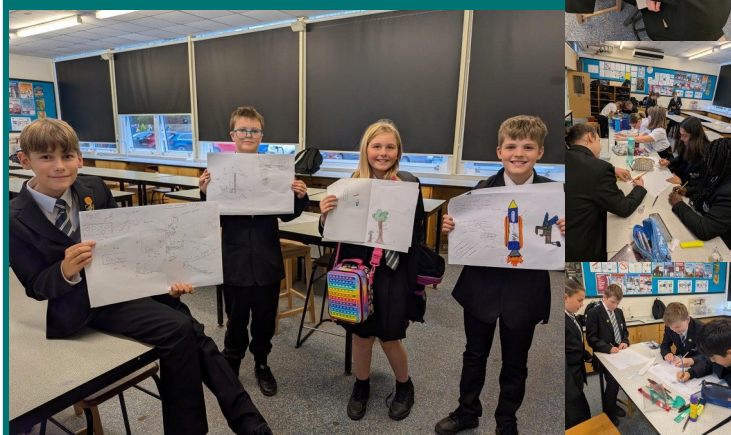

7) A very well balanced game for the Year 11 Rugby Team this week. Unfortunately we came second in a very competitive game against Bishop Fox's School. Player of the Match was Theo P!

Well done to all our sports teams!!

Year 7 STEM Activities

This week our Year 7 students took part in a 'Mars Habitat Challenge' during Science, in celebration of World Space Week 2025!!
