Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Not much space for me today, as we've had so much going on this week!!

The highlight of the week had to be our fantastic Year 12 Presentation Evening with welcome drinks in the Canteen, followed by the awards in our new Hall. Thanks to everyone who came!

Have a lovely weekend. Mrs Matthews

10th November 2025

Remembrance Day

Thank you to the Wellington branch of the Royal British Legion and Mayor of Wellington, Cllr Janet Lloyd, for joining our Remembrance Day ceremony.

It was wonderful to see so many of our students in service uniforms, representing the Scouts, St John's Ambulance and Cadets. Following an immaculately observed two-minute silence across the school, the reading of the Affirmation, and the Kohima Address, Senior Prefects Rosie S and Sam F laid a poppy wreath on behalf of the staff at students.

Year 12 Presentation Evening

We had a fantastic evening with the Year 12 Presentations. It was inspiring to hear all the students Post 16 destinations as well as their future career plans.

Congratulations to all our award winners and please all keep in touch!

Parent Survey

We would like to invite parents/carers to complete our survey, which is being shared in all the schools across the Trust.

The survey will ask questions about the communication between carers and school, confidence in the school's strategy and other aspects.

Thank you so much for your support and the time taken to complete the survey using the link here: <https://edurio.com/teacher/poll/1sJN0y>

Cyber Horizons

Bridgwater College hosted this week's Cyber Horizon's event. Students attended five workshops led by tech companies, wanting to enthuse and excite about the opportunities in an ever-growing industry.

Opportunities in cyber security are abundant and include roles like security analysts who monitor networks, penetration testers who simulate attacks to find vulnerabilities, and incident responders who handle security breaches.
