Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

20th March 2026

Thank you very much for all your support. It's been great to have our Year 11s finish their second set of PPEs, to present our work in the community as part of Wellington cradle to career network to trustees and also to the Somerset Association of secondary heads. Our students have been out and about on trips, visits and on fixtures, as well as rehearsing hard for our forthcoming whole school show 'Mary Poppins'. We've also put in place some slight changes to the S2 detention system so that students who disrupt learning in class, and are sent to on call, are able to serve their detention as soon as possible. I hope you have a lovely weekend and enjoy the sunny weather. Best wishes. Mrs. Matthews.

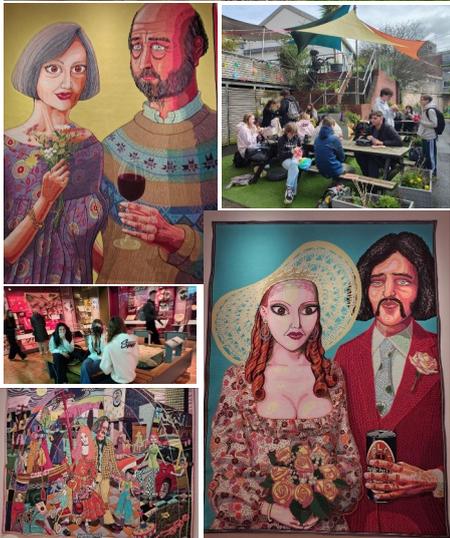

Red Nose Day

What a fabulous day we've had for Red Nose Day today! With non uniform, cake sales and a Britain's Got Talent-style competition organised and judged by 8B1! Thank you for all the kind donations towards Comic Relief. So far, we have raised a total of £659.24.

Art & Photography Trip

Our Art and Photography GCSE students got lots out of their day in Exeter, visiting the Grayson Perry exhibition at the Royal Albert Memorial Museum. They also had time to explore the Cathedral and surrounding area where they took pictures of the architecture.

Wellington Community Food Visit

On a beautiful spring day, a small group of Year 7 students visited our local Wellington Community Food's farm. This is a small-scale vegetable growing farm, right on our doorstep! Our visit supported the students' science learning on food chains and webs and we had the chance to 'Interview the Farmer' to gain an insight into careers in farming.

Thanks to Wellington Community Food for providing this opportunity for some hands-on learning.

Careers Trips

- 1) Our Insight into Apprenticeship group got a second trip last week. Focussing on Professional Skills, students got the chance to learn about their own skills and practise some transferable ones too. Staff from South Bristol Youth were very complimentary about this group of young people, they engaged with energy and enthusiasm, a credit to themselves.
- 2) A small group of Year 9s visited KPMG, Bristol, this week to take part in a skills building workshop facilitated by the Talent Foundry and Ministry of Defence. Focusing on two key skills, problem solving and verbal communication, students learnt all about tax and how it's allocated at Government level.

**Court Fields Interhouse
Miles 4 Mind X-Country
2026!**

On Friday 27th March 2026, our whole school community will be taking part in the Miles 4 Mind Interhouse Cross-Country event, to support the amazing mental health charity - Mind.

Donations can be made here: <https://www.justgiving.com/page/court-fields-school-4>

If you're donating for a specific student, please include their name and tutor group/house in the notes section on JustGiving, so the donation counts towards their house total.

Let's come together, get active and raise as much as we can for Mind.

Please email 3gbookings@courtfields.bep.ac if you would like to book our pitch before Easter. We are closed on Good Friday 3rd April, Easter Monday 6th April and Tuesday 7th April.
