

Court Fields School

Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Lovely to celebrate our Court Fields Pride today, so many students and such a talented array of young people. We were treated to a range of music from several bands and our fantastic Glee Club. Thank you to all of them and everyone who supported as well as of course Ms West, Madame Dudal, Mr Wickenden and all of the other staff who helped us to have a great day!

No more space for me this week, have a lovely weekend, fingers crossed we see a bit more of summer!

Best wishes, Mrs Matthews

12th June 2026

Silver Award!
It is wonderful to share with our School community that we have been awarded the Silver Right's Respecting School Award by UNICEF this week! Achieving the UNICEF Rights Respecting School Silver Award reflects a whole-

school commitment to placing children's rights at the heart of everything we do. Throughout the journey, CFS school has embedded the principles of the UN Convention on the Rights of the Child into daily learning, behaviour, and decision-making, empowering pupils to understand their rights while also respecting the rights of others. By fostering a safe, inclusive, and nurturing environment, we have strengthened pupils' confidence, wellbeing, and sense of responsibility as active global citizens. Staff and students have worked collaboratively to promote equality, dignity, and respect, ensuring that every voice is heard and valued. This achievement is not just a recognition of our progress, but a continued commitment to creating a positive, rights-based culture where every child can thrive.

Sports Updates

1) We had a lovely evening of cricket for our U13 boys recently against the other local schools. No official scores recorded, however lots of runs, wickets and teamwork throughout.

2) Excellent work from our Yr 7 rounders team in the Friendly CVL. The girls won 1 and narrowly lost 2.

3) Lovely evening of cricket in the sun for our Yr 8 cricketers this week. A big thank you to Castle School for hosting.

4) Our Yr 10 girls had their last ever rounders tournament this week. Well done!

5) Well done to our Yr 7 and Yr 8 athletics teams who competed in the area team athletics event this week. Lots of outstanding performances on show, with lots of resilience, PBs and even school records smashed. We will await the results!

College Taster Day
We're looking forward to taking our Year 10s to the UCS College Group Student Taster day next Wednesday. Being an important part of our Careers Curriculum, all students have already registered and are expected to attend. Tutors will be briefing students, including expectations on the day.

Important donation
We are very grateful to Lodge Marine 232EC for their generous £260 donation, which has enabled us to purchase four bleed control kits for our school. A special thank you to Mr Holden, a member of the Lodge, former paramedic, and member of our staff, for championing this important initiative. These kits provide an extra layer of safety and reassurance for our students and staff, ensuring we are better prepared in the unlikely event of an emergency. We truly appreciate the Lodge's support in helping us keep our school community safe.

and inspiring books.

If yours is one of the five winning entries, you'll also win a £100 National Book Token to spend in your favourite bookshop!

WISE UP WORKSHOPS

Empowering Parent Carers to succeed

Social Stories

Monday 15th June @ 10.00-12.00 Cheddar & Online

Social stories help children understand what might happen in different social situations and what they can do. They break things down in a clear, step-by-step way, which can make situations feel less confusing or overwhelming.

The workshop will show you:

- How to design and use social stories.
- We will explore how social stories can be written using the formula by Carol Gray.
