## Parent Weekly 'What's Happening' Bulletin

### Message from Mrs Matthews

Blimey, it's been hot today!!! The students and staff have done so well to focus on their teaching and learning in such high temperatures, but I think everyone's melting now at the end of the day. It makes you realise why schools in hotter climates open early in the morning and finish at midday!! I hope you have a lovely weekend and can enjoy some sunshine, although it sounds like it's not going to be as nice as today.

We've had a great week, with Year 11s continuing to focus on their exams, and preparations for Year 6 Transition, Enrichment Week, Sports Day, Celebration Evenings and more. Next Thursday we say goodbye to our Year 11s at their Leavers' Breakfast, shirt-signing and Leavers' Assembly, which will be a sad and poignant day, but a lovely celebration of their time with us. Afterwards we're looking forward to celebrating with Year 11 families in the evening of the 23rd June.

We look forward to seeing many of you at the many events in the rest of this term. Have a lovely weekend. Thanks for your support as always.

Mrs Matthews

We are currently collecting responses to our student survey which can be found here: <https://forms.gle/y3ALnSQmzPm8XckMA>.

Surveys allow us to ensure that we are getting everything right for your child, as well as to celebrate the things that are going well. Please encourage your child to respond to the survey by Friday 24<sup>th</sup> June.

### Year 7 Cricket CVL at Castle

An outstanding attitude and performance from our Year 7 cricketers, who went unbeaten at Thursday's Cricket CVL at Castle. Lots of runs, fun, sun and learning throughout. Well done!

Here are some of our Year 8 artists' work. They have been making 3D recycled metal insects and they look fab! Well done!

### Rotary Young Photographer 2022

**Thomas H 'Morning Stag'**

Beautiful autumn colours. How wonderful to have been so close!

**Max N 'Bee in Flight'**

Lovely composition with the poppy, seedhead & bee in a tight triangle. The shallow depth of field gives an almost clutter free background.

**Summer B 'Lovely Red Flower'**

This cheery South African flower is one of the latest in the garden. It is reasonably sharp and the background not intrusive.

*It has been wonderful to see all of these lovely photos & comments. Well done to everyone that participated!*

From Monday, food serving areas Sports Hall—Years 7 & 8  
will change as follows: Dining Hall—Years 9 & 10

**Please note:** there will be no morning interventions in the SEN department during Enrichment Week.

Congratulations to our Year 11 student Blake L, who has been accepted to study the Engineering (Nuclear) Extended Diploma Level 3 (EDF Sponsored Study Programme) with Bridgwater and Taunton College.

"I am so thrilled to be given this opportunity, thank you to everyone at Court Fields who has helped me to get on this exciting career path." Blake L

## NOTICE

Any Year 11 Catering Balances need to be cleared. If you are in credit you can apply for the balance to be transferred to a sibling's catering or prepayment account or refunded. Refunds for amounts over £5 can be made through WorldPay or cash, credits lower than that will be issued in cash. Please contact the school using the email address [finance@courtfIELDS.net](mailto:finance@courtfIELDS.net) if your child is in credit and you would like to give your instructions and we will endeavour to deal with these as quickly as possible.

## REMINDER
