Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday July 8th 2022

At the end of another busy week (with only 2 weeks to go!) and with Prom this evening I thought I'd save space for some more pictures of our lovely Year 11 Leavers. Keep your eyes peeled for Prom pictures over the weekend on social media. We can't wait to see them and celebrate the Court Fields journey in the sunny surroundings at the Allerford Inn. Have a lovely weekend. Please check our social media for diary dates as we have so many events in the next 2 weeks and we're looking forward to seeing all of you before the end of term. Best wishes, Mrs Matthews

Enrichment Week 2022

**Year 8 Science Trip—
Plymouth University**

The students attended a career talk and found out more about life at university. Students then had the opportunity to get hands on experience with lots of practicals linking to Science and Technology.

**Year 9 Area
Rounders
Tournament**

The girls played 4 games: drew 2 and lost 2, but all games were very well matched in ability. Lots of tactics learnt and applied. Well done to Cerys & Milly for stepping up to play with the Year 9s today. This marks the final girls fixture, huge congratulations to everyone who has represented the school this year.

Chess Club

Another year of chess club is almost complete. We have had a very successful year with new members joining, in addition to our ever-present usual players. The chess competition was a great deal of fun and enjoyed by all, as was the celebration and presentations. Chess will not be on Tuesday the 12th of July due to sports day. The last chess will be our end of term chess nibbles and drinks on Tuesday the 19th July for our players. I would just like to thank Mr Woodward and Mr Young, without them chess would not happen and the competition definitely wouldn't! We are open to all Year groups, we can teach chess to any beginners and there is always a challenge waiting for the more able players.

If anyone would like any information about joining, please see Miss Murphy in A1 or C9.

Great end to Enrichment Week 2022, not only did our Year 10 students have a great day at Richard Huish College last Friday, but the staff did too.

IMPORTANT

Lockers need to be cleared by the end of term. From September, lockers will be available for £5 and can be paid on Scopay.

Year 8 Rounders

Smashing afternoon with the Year 8s at the area rounders tournament on Tuesday. The girls did so well and improved hugely as the games went on, losing out by half a rounder in 3 games! A big applause for Murewa, who stepped up to play for the girls and hit several rounders!
