Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 30th September 2022

Not much space for me this week, but I wanted to thank everyone who has been involved in our Open Evenings and Open Mornings over the last 2 weeks. They have been so well attended, and we have received such lovely feedback about our school, including these two super comments on our feedback board in the Staff Room. It means such a lot that our progress as a school is noticed and acknowledged by our community, and that we are supported by not only our current families, but by so many more that want to be part of our journey. Thank you for all your support. Have a lovely weekend.

Best wishes, Mrs Matthews

Senior and Deputy Senior Year 11 Prefects

It was fantastic to get some lovely photos of our Senior Prefects, Emily and Josh, and our Deputy Senior Prefects, Eddie, Jack, Lily and Sophie. They have been discussing their priorities for the Senior Prefect Improvement Plan, which forms a key part of our School Improvement Plan. Our students helping develop our school—what a team they are! Thanks to them for their hard work so far.

School Formula 1 Championship Race Report

The Court Fields Cars Drivers Championships started with a bang, with the first race at Albert Park. We had the largest starting line up so far, with some new talent joining us from Year 7. Isaac P has the full race report:

Over the first round Norris started pole but fell back at the start, as multiple midfield battles took place, but nothing could stop Cross, a newcomer to the drivers championships from winning the season opener in Melbourne. In a race with many technical problems, reigning champion Hutchinson failed to finish as well as Cox, Miles, Norris and Vinall. The next race will be held in Singapore, using the Marina Bay circuit.

Book of the Week—2022 Carnegie Winner October, October by Katya Balen

A classic in the making for anyone who ever longed to be WILD. October and her dad live in the woods. They sleep in the house Dad built for them and eat the food they grow in the vegetable patches. They know the trees and the rocks and the lake and stars like best friends. They read the books they buy in town again and again until the pages are soft and yellow - until next year's town visit. They live in the woods and they are wild. Until the year October turns eleven. That's the year October rescues a baby owl. It's the year Dad falls out of the biggest tree in their woods. The year the woman who calls herself October's mother comes back. The year everything changes. Written in Katya Balen's heart-stoppingly beautiful style, this book is a feast for the senses, filled with the woodsmoke smell of crisp autumn mornings and the sound of wellies squelching in river mud. And, as October fights to find the space to be wild in the whirling chaos of the world beyond the woods, it is also a feast for the soul.

A FIRST for Miss Hunt running the Bristol 1/2 Marathon on Sunday, supported by Mr Williams, Head of Year 7, who made sure that she crossed the finish line.
