Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 21st October 2022

What a busy term it's been, and I can't believe how quickly the last 7 weeks have gone. Our Year 7s have made a super start to their time at Court Fields, Year 8 have been continuing to establish their successful learning habits, Year 9 have been working hard with one eye on their Options choices in the New Year, our Year 10s have focussed really well on their new Options subjects, and our Year 11s have stepped up for their final few months, working hard towards PPEs in November, the New Year and of course their formal exams which will come all too soon in May.

Thank you for all your support. As we know, it is all a team effort, and we appreciate very much the part our parents and families play alongside staff, students and our Governors. Have a lovely Half Term. We look forward to working with you next term. Best wishes, Mrs Matthews

Year 11 Artwork

Here are some pieces that our Year 11 students have been drafting as their final ideas for the Art exam in November.

Student Yoga

KS3 Yoga is taking a break next half term, due to Year 11 PPE preparation. It will return again in the New Year. Here are a few photos from our last session.

KS4 Yoga continues on Fridays, open to all Year 10 and 11 students. With PPEs approaching, the focus for this half term will be de-stressing and being playful.

!!! House Cup Winners !!!

In order to award the House Cup in line with our new House System, we carried forward the points from last year for all students, and added them to this term's House Points.

We are thrilled to announce that the winning House for 2021/22 is...

MONUMENT!!

Congratulations to Mrs Bradshaw, as House Lead, House Prefect Georgia P and all the students and staff in Monument House.

Monument students and staff will receive a House Reward Day after Half Term.

There were less than 350 points between 1st and 3rd place so it really was a tight competition.

We now start the House Cup Competition again from 2nd November through to July, to compete for the 2022/23 winners, so it's all to play for over the rest of the year!

Year 11 Revision

Year 11 revision has begun and will continue every week until the Year 11 PPEs (21st November). Sessions will run from 15:20 until 16:20 on Monday, Tuesday and Wednesday. All students are encouraged to attend and do not need to be personally invited. The sessions will be held in the following classrooms:

Monday – Science in B2 – B3 – B4 **Tuesday** – English in E2 **Wednesday** – Maths (Maths teachers will confirm rooms)

Super 8s Rugby

The Year 8s played Rugby on Tuesday evening at Bishop Fox's School. This was a great event with lots of fantastic rugby and loads of tries scored. All of the boys were superb and played well in all the games, demonstrating improving skills and great teamwork.

Players of the Tournament: Alex A and Theo P

English Schools FA Cup Second Round

Court Fields 1 - 1 Taunton Academy (Court Fields win 4-3 on penalties)

The Under 15 boys are through to the next round of the National Cup Football Cup with a narrow win against a very talented Taunton Academy side this evening. Excellent attitude and work rate from all the boys involved.

Goalscorer - Harry J Man of the Match - Jack L

Year 3 Primary Indoor Athletics Festival

Some of the many photos from last week's brilliant Year 3 Primary Indoor Athletics Festival, ran by over 40 outstanding trained sports leaders from Court Fields.

Lots of throwing, running and jumping fun had by all students involved. The sports leaders were a credit to themselves and Court Fields. Looking forward now to planning, hosting and leading the Year 2 Multisport Festival at Court Fields in December.

Somerset Ryū Karate black belt—Tallulah P

Tallulah did it, she put in hours and hours of training, battled a recent asthma attack and overcame the mental pressure.

On the club's Facebook page:

The latest Somerset Ryū Karate black belt, Tallulah P!

Lula managed to shake off the nerves to deliver a strong performance in front of a panel, made up of several senior JKS examiners, ultimately passing to Shodan.

We're incredibly proud of her!

Well done Tallulah on your fantastic achievement!

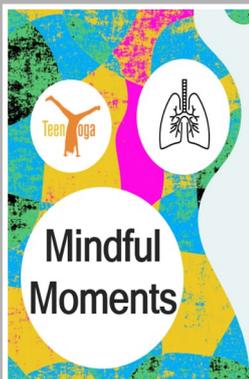

County Cup Football Success

This time it is well done to our Year 7 girls football team, who are through to the next round of the County Cup after beating Holyrood 6-4. The prolific Lleya scored 5 goals and Erin got the other. However, an amazing team performance from all the girls. A big thank you to Miss Cridge for coaching and taking the girls.

Fantastic performance girls, good luck in the next round.

Huge thanks to Tarsha for such a great assembly, which delivered lots of useful information to our Year 11 students on Wednesday.

Place your hands on your belly. Take a really deep, slow breath in through your nose, and imagine you can send the air all the way down into your belly, feeling the belly rise in your hands. And relax to release the air out, feeling the belly fall in your hands.
