Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 18th Nov 22

It's been another busy week, with House Assemblies, a wide range of sports fixtures and clubs, and of course our Year 11s getting ready for their PPEs next week. Alongside this, we have been working on developing our Court Fields Experience further as the framework to support our students to Achieve, Belong and Participate, and to develop the characteristics of successful Court Fields students that staff and students identified in the Summer Term. These characteristics are ones which we all identified as helping our students to be successful and happy in their future. From Monday you will see a change to your child's ClassCharts points, as our awards are now mainly linked to these characteristics, which will help us to underline their importance and to develop them in our students. Please see our website for more details (courtfields.net/personal-development-cfs.htm).

Thank you as always for your support as we continue to focus on equipping our students, your children, with the knowledge, skills and characteristics for their successful futures, whatever and wherever they may be. Have a lovely weekend. Mrs Matthews

Year 7 Rugby

Great to see the Year 7 in action and for most of them their first competitive game of rugby. Wet, windy and smiles all round. Looking forward to the next CVL in a couple of weeks.

Year 8 Hockey

Great work from our Year 8 hockey team who did superbly at the super 8s tournament last week. Outstanding performances and attitude from all involved. The girls played lots of games, only narrowly losing one over the whole evening against all the other schools.

Exmoor Challenge 2023

Blessed with lovely weather and an enthusiastic group of students, the practice walk for the Exmoor Challenge 2023 was a great success. Walking through the beautiful Somerset and Devon countryside, students managed to walk the 10.5 miles in just under 6 hours. Thanks to all the staff and volunteers, and to the students for their energy and enthusiasm.

Year 7 Girls Football

A fantastic evening of football on Tuesday for our Year 7 girls who took part in a CVL at Bishop Fox's against local schools. Lots of goals, fun and learning. No official results, as tonight was a friendly CVL, however the girls did extremely well overall. The attitude and effort from the girls all evening was outstanding!

Year 10 Ceramics A huge well done to our Year 10s who had a workshop in ceramics a couple of weeks ago. They were making elephants, polar bears and hedgehogs! They did brilliantly and created a range of fantastic models.

Starting Wednesday 16th November!

A new after school dance club will be available on Wednesdays in B7 until 4:15pm.

We will be looking at a range of dance styles and choreography.

You will need to wear something that is easy to move in—PE kit, leggings or jogging bottoms and a t-shirt. You may wear jazz shoes or dance trainers if you have them.

We look forward to seeing as many students there as possible.

Year 11 Art and Photography students—a message from Mrs Binmore

We wish all of our Year 11 artists and photographers the best of luck for their PPE exams on Monday and Tuesday next week. The work is looking amazing and we can't wait to see the finished outcomes and share them with you all on our social media platforms. Lots of photos to follow next week.

House Competition

Art: we are aiming to hold an online Art auction. Students are asked to produce and submit a single piece of artwork. This could be a drawing/ painting/ print/ crochet/ embroidery/ sequin art/ scratch art/ foil art/ sculpture/ photography—whatever they do, we want to show it, sell it and celebrate it! Deadline for submission has been extended to after the Year 11 PPEs, to allow those students to join in too. **New deadline 16th December 2022.** All monies raised will be used to fund upcoming Creative and Performing Arts events—The Talent Show, The Show, Christmas Concerts and lots more. Thank you for your support.

Interhouse Music Competition

Auditions are open this week on Thursday and Friday in B6 at break and lunch! :) **4 categories as follows:**
-Instrumental
-singing solo
-singing duet
-group performance

The qualifiers win a chance to perform at Court Fields very own Christmas Concert and win House points for your House! :)

Could it be... **Blackdown?**
Duke? Monument?

LUNCH TIME

Temporary change to school lunch break

We will be making a temporary change to the timing of the lunch break for the whole school from **Wednesday 23rd November to Friday 2nd December**. This change is to support Year 11 who will be taking exams during this time. **Monday/Tuesday next week will be 13:30-14:05 as normal.** **From Wednesday 23rd November to Friday 2nd December, lunch will be 12:30-13:05.**

All other times will remain the same.

The Court Fields Experience—If you're a parent of Year 10, I hope that you already know that we have just launched Work Experience 2023. Ambitious, but we would like to get the entire Year group out to work next July, so please support them to find an interesting placement.

All the information needed can be found in the Work Experience Information Booklet but please get in touch if you need to:
