Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 20th January 2022

It's certainly been good to have a drier, if colder, week this week, and especially to have a bit of sun! We've had a busy week as you will imagine, preparing our Year 11s for their PPEs in 3 weeks, and supporting them with revision sessions as well as their Reports, which went home at the end of last week. The key at this stage is absolute commitment—they will know that they never get this time again, so taking advantage of the revision sessions put on by teachers and focussing on their gaps in each lesson are absolutely vital.

Moving down through the school it was lovely to talk to our Year 10 students with zero behaviour points this morning, to thank them for their hard work, high standards and the example they set to younger students, especially with Prefect Applications on the horizon. Year 9 have Futures Week next week, including their Futures Evening, to ensure that they are fully prepared for their Key Stage 4 Option Choices.

Year 9 & 10 students also took part in a workshop run by Safer Somerset this week to produce podcasts to educate young people on the theme of Safer Streets for Women & Girls. We were so impressed with their thoughtful work and clear focus on making our community safe for all. Thanks for your support. Have a lovely weekend. Mrs Matthews

SAFER STREETS FOR WOMEN & GIRLS

Schools Southern Zonal Trampoline Championships

A huge well done to these trampolinists for competing today. A big stage and they dealt with the pressure superbly. Team results to come, but Miss O is so proud of your progress, thoroughly deserved the opportunity. Jess V - podium finish with a 2nd place in her category! A big thank you to Whirlwinds Academy, Accelerate Trampoline and Exeter Trampoline for coaching these girls week in and week out.

U15s District Cup Football

A big well done to the Year 10 football team, as they won a hard-fought battle 3-2 in the District Cup group stage against Castle. Goals—Harry J, Lewis O and Ben H. MOM—Ben H. On Monday the U15s welcome Writhlington from Bath in the County Cup last 16.

U16s Girls Football Well done to the U16 girls for getting to the quarter final of the County Cup. Despite a really strong second half performance, they went down 4-3 in the end to a good West Somerset side. Next up in the girls football, is our talented Year 7 girls next week against Oakfield at home in the quarter final of the County Cup.

Year 7 CVL Football A great evening of football for our Year 7 footballers, who took on the other local secondary schools at Heathfield. No official scores recorded, as it was the first CVL friendly, however lots of goals, wins and fantastic teamwork from the Court Fields boys! The future is definitely bright!

U16s County Cup Football

Well done to the U16 boys football team who are through to the next round of the County Cup after beating Bucklers Mead from Yeovil 4-2.

Goals—*Theo, Eddie, Jack N and Oliver S*

MOM—*Theo*

Lots more fixtures coming up before the half term, look out here for the results and more photos! Thank you to our fab PE team for making these sporting events happen.

Richard Huish College interviews

So proud of our Year 11 students. Talking with confidence about their personal and academic achievements, they are leaving their Richard Huish College interviews with conditional offers to study the course of their choice. Congratulations to all that have been interviewed this week.

Chess club

New plea for any unwanted chess sets. Our club has grown again this term, so much so we now need two rooms! If anyone has any chess sets they no longer want and are happy to donate to us, we would hugely appreciate this. They can be given to the Front Office. Thank you, Miss Murphy.

Duke of Edinburgh Bronze Award 2022

Some of the students from last year's cohort received their certificate and badge in assembly this week.

Well done to them all.

This requires a lot of work and commitment and we are really proud of them for completing the award.

Under 13s Indoor Cricket

A very close loss in the semi final against Bishop Fox's, Taunton, resulted in them missing out on a place in the next round of the County Competition. Some great cricket played and a very enjoyable evening of cricket.

Reminder

The 2024 ski trip has been re-launched! Please see Mrs Greenfield for a letter and more information.
