Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 23rd June 2023

It was so lovely to sit down with our Year 11 parents and students yesterday evening to celebrate the end of their exams and their time with us. It just underlined what a fantastic community we have built here at our school together, and what a good team we make. Thank you to all our parents, but especially those in Year 11 who have been here throughout our journey since the Ofsted Inspection in 2019, and spoke so amazingly last night about the improvements that they have seen. It will be lovely to celebrate with them again at Prom on 7th July.

We've had a busy week this week with Avon & Somerset Police visiting with Detective Inspector Burtonwood, joined by PC Hatchard, undertaking assemblies and workshops with all Year groups around youth violence, county lines and knife crime, which is of course key for our students to understand. Students also visited Bristol on the Photography Trip and we had further success in Athletics competitions. Next week is Enrichment Week, which will be super busy with curriculum and Personal Development activities and trips to support our students through the Court Fields Experience. Uniform is full school PE kit for anything in school, and appropriate non-uniform for any trips. Have a lovely sunny weekend. Thanks again, Mrs Matthews

Competition Winner

Olivia D in Year 9 has won the Richard Huish Brunner Cup writing competition.

Judge's comment: *"An observational narrative, thoughtfully atmospheric and with crisp dialogue. "It's fascinating to watch people dance, how they glide elegantly across the floor, their feet perfectly into place. Life is like a dance... that's why I hate dancing." "An ambitious period story of a young lady coming of age and her own ideas!"*

Well done Olivia!

Swimming Sessions

Over the last 6 weeks some of our students have been working on improving their swimming skills and confidence, in order to achieve their 25 metre certificate. Congratulations to all those who took part and achieved their goal!

Apprenticeship Support and Knowledge Programme

Next month there will be two online sessions as part of the ASK programme, to support young people thinking about apprenticeships as their next step.

Suitable for Year 11+, the sessions will walk through the process of registering and searching for vacancies on the government's Find an Apprenticeship website and get tips on how to make your applications stand out. There are two sessions to choose from and you will need to register for your place:

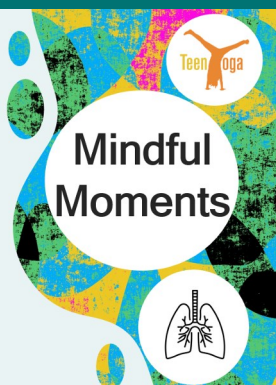

Wednesday 5th July 2023, 17:30 to 18:00

Tuesday 11th July 2023, 16:00 to 16:30

Find more information at skillupsomerset.org.uk.

Take a deep, full breath in. As you breathe out, smile.

Keep breathing deeply and smiling broadly for as long as feels comfortable.
