## Parent Weekly 'What's Happening' Bulletin

### Message from Mrs Matthews

Friday 30th June 2023

We've had a lovely week with Enrichment Week and our first group in Spain. I won't take up much space, so there's more room for photos!! Mrs Matthews

### Year 8 BTC Curriculum Day

Attending workshops facilitated by BTC, our Year 8 students got busy finding out about the variety of courses and qualifications on offer to them this week. This was a very informative and fun day, which will support students with their Year 9 and Post-16 Options. Thanks to BTC for all the support you provide to our students, it's much appreciated.

### Work Experience next week

Wishing all our Year 10 students a great week at work. On Monday, please make sure that you take the Health & Safety Induction and Contacts form with you and that it gets completed by your

supervisor. Take lots of photos throughout the week and send them to [charityhunt@courtfields.net](mailto:charityhunt@courtfields.net) and remember to practise those important employability skills. We can't wait to hear how you get on.

### Enrichment Week - Insight Into Apprenticeships

Commuting to Bristol by train, harbour tour followed by a business lunch at Za Za Bazaar was an exciting way to bring the Insight into Apprenticeship programme to an end.

Our group of Year 9 students have had some great experiences supported by Wessex Water, BTC, Mendip Outdoor Centre, Taunton Museum and the Royal Navy. Our thanks to the South Bristol Youth Group for providing this opportunity, we look forward to working with you next year.

### IKB Art Project

This week our students worked with Year 2 IKB primary school pupils on their own versions of Sarah Morris' Work. They worked in teams of five, whilst the final touches were added to the large Morris mural.

The results of both the extended doodle wall and the Morris mural are awesome! Well done CFS Year 9 & 10, and of course IKB Years R, 1 & 2.

**Sit and listen** to any sounds you can hear.

Notice the **loudest, obvious sounds**.  
Notice the **quieter, more subtle sounds**.

### Brilliant Feedback!

We were thrilled to receive the following feedback from Bridgwater & Taunton College, following a recent Year 10 enrichment trip:

"You really do have the loveliest students. Your students were an absolute pleasure to have on campus. They conducted themselves in such a mature manner. Feedback from the curriculum has also been extremely positive about your students' mature conduct throughout the day. Would you please pass on our deepest thanks for their outstanding representation of their school."

Well done Year 10!
