Happy Summer Holidays and Thank You!

Sports Day 2023

The Court Fields students have done it again and smashed the annual sports day. It was an amazing day, with some fantastic performances and participation levels through the roof! A reel is currently being created from all of the videos to instil the memories of a day-to-remember for our students. The hard work and dedication in lessons and at club have clearly paid off! A big well done to our students.

Place your hands over your ears and close your eyes.

Breathe out with your mouth closed making a humming noise.

If you feel dizzy or light headed stop and let your breathing return to normal.
