Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 16th June 2023

What a lovely end to the week, as we held our Leavers' Assembly 2023. Although, due to the scheduling of the exams this year, we still have a small amount of students with exams on Monday and Tuesday, the vast majority have finished their time with us, as they signed off with the traditional shirt-signing, drinks and nibbles, and of course the Final Assembly, complete with embarrassing photos from Year 7!!

We are very proud of our Year 11s and look forward to seeing them at Prom and Results Day in the summer #ThisIsLeavers2023

Have a lovely weekend.

Best wishes, Mrs Matthews

District Athletics Final

An outstanding evening of athletics for the Court Fields Year 9 girls and boys, against all the other district schools. The final team results are still to come, however it was an all-round superb performance from Team Court Fields!

Lots of brilliant performances throughout, however the boys racing home in 1st place in a very close 4x100m relay final to take the gold, topped off the evening, with all CF students screaming the team home ecstatically over the finish line!

First and Gold places overall on the night went to;

George W- u14 Boys Shot Putt (9.81m)

Summer B- u14 Girls Shot Putt (7.91m)

Tom F- u14s Boys 200m (25.2 secs)

Toby, Elijah, Oliver, Tom- Boys 4x100m Relay Final (51.1 secs)

Elijah H- u14s Boys 300m (43.31 secs)

The team results will be announced early next week, however a massive well done to all of our athletes. Your outstanding attitude and effort in PE lessons and athletics club is clearly paying off!

Bristol Art/Photography Trip

Next Wednesday we have an Art trip to Bristol for our Year 9s & 10s. We will be looking at the street art in Spike Island, taking a little boat trip up the river and exploring the work in the West of England Academy. Students will need to bring some dry media (pastels/ pencils/ pens/ coloured pencils/ rubbers) as they will be producing a hand-made concertina sketchbook from the trip. They will also need a phone/ camera to be able to take photos.

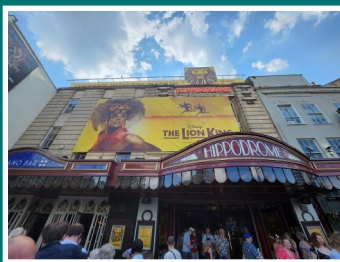

Royal Navy Visit

This week, as part of our Insight into Apprenticeships programme, we had a visit from the Royal Navy. Our Year 9s took part in a number of brilliant team building activities and found out about apprenticeships within the Royal Navy and opportunities for young people.

Lion King Trip

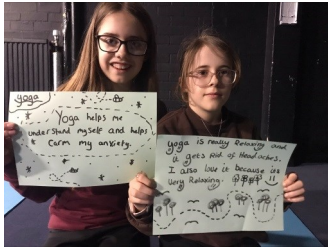

We had a wonderful time this Wednesday taking a group of students to watch The Lion King at the Bristol Hippodrome.

KS3 Yoga is Back!

Mondays 3.25-4.15 in the Drama studio. All are welcome!

Madagascar Week

We'll be holding our annual fundraising week in aid of Madagascar next month!

Over the past several years, we've raised in the region of £35,000, enabling us to build a primary school, extend it for older children and pay for a pre-school to be built! We've also put in three water projects in three separate villages, and last year, helped with essential items after Madagascar was hit by two cyclones.

From 17th-21st July we'll be holding a range of fundraising events throughout the week, including an ice lolly and drinks sale during sports day, non-uniform day and our Madagascar's Got Talent show! See more details below.

Madagascar Week
17th July – 21st July

Madagascar's Got Talent

Wednesday 19th July

6.30 pm start

Tickets on the door

£2.50 child/student

£5.00 adult

See Mrs Chidgey or Mrs Greenfield for more information

Activities Week Request

If anyone has any of the following materials they would be happy to donate, we would very much appreciate them for our Activities Week projects:

Newspapers

Egg boxes

Rubber bands

Old plastic

shopping bags

ACCESS TO OXBRIDGE

Access to Oxbridge is a course for Year 9 students who are already considering their progression route after college, and who have high aspirations to apply for Oxford or Cambridge, or other top universities.

This course will encourage students' intellectual curiosity beyond the curriculum, and equip them with the understanding of what it means to be academic, independent inquirers.

For more information scan this QR code:

BRINGING OUT YOUR BEST www.btc.ac.uk

Access to Oxbridge

Are you in Year 9? Is your ambition to get into Oxford, Cambridge, or another top university? Then this specialist taster session is for you!

Both days will involve sessions on art, creative writing, digital skills, and advice for preparing for an Oxbridge application.

It's a two-day event taking place on 28th & 29th June on the Taunton campus, hosted by course leaders and expert tutors.

Register your interest and find out more today at btc.ac.uk.

Guildhall Young Artists
TAUNTON
