Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

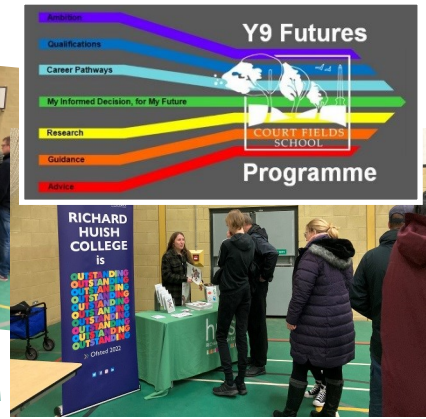

Not much space for me today... We've had a great day raising funds for Wear Red Day, in aid of Heart Heroes and the British Heart Foundation. Our students told us how important these charities are to them as so many people are affected by heart conditions across our community, both young and old.

It really does show what a supportive community we are. Thank you for all you do as part of that. Have a lovely weekend.

Year 9 Futures Evening—It was great to see so many of our families at the Year 9 Futures Evening last week. The curriculum staff were super busy answering the many questions, and the colleges who joined us (BTC, Petroc, The Space and Richard Huish) had queues of students wanting information on Post-16 Pathways.

Year 7 & 8 Netball

Success! Huge well done to both Year 7 and 8 teams yesterday, who won their friendly matches v Taunton Academy. So impressed with the progress made this term, keep it up girls there's more matches to come!

New trees!

It's been busy both in and out of the classroom this week, with more than ten new trees planted on the school grounds.

A wonderful way to enhance the environment for all.

Year 9 & 10 Netball

Year 9 and 10 netball friendlies were held this week v Bishop Fox's. So good to see the girls back on court and getting game prepped for the forthcoming league matches!

Year 10 Art

Year 10 have been working on their own independent research looking at their everyday lives. They are selecting media and making choices as to the best way to 'record what they see'. They are making a great start.

Olivia

Rehearsals will soon be underway for our new show Olivia! This is very exciting for the school. Please look out for more news about our show here!
