

Court Fields School

Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Thank you so much for your fantastic support for our school this term and indeed throughout 2022. As always, you have worked with us to continue our improvement journey and I look forward to the next 12 months as we go through 2023. After the last few years, who knows what this may bring, but one thing I know we can rely on is your commitment to working together to support your child. From our part, you can rely on us to do whatever we can to keep improving our school, through our pastoral support, our curriculum and the opportunities that we offer to our students, to develop those characteristics of successful Court Fields students, that will help them to have successful futures. Have a super Christmas and a restful break. I look forward to seeing you in the New Year. With my very best wishes, Mrs Matthews.

Origami Club

This term, the Origami club created a Christmas themed Sierpinski Tetrahedron. It is entirely made of origami tetrahedrons (triangular based pyramids made of congruent equilateral triangles), the project took the pupils almost a month of lunchtime clubs to complete. The pupils demonstrated not only great maths skills, but team work as they tried to finish it in time for Christmas. Origami is a relaxing and creative form of maths based art, we don't always have projects like this, this term we have made bats and boxes cubes. We learn from each other, as many of the pupils are good at Origami already, so they teach each other. It is open to all year groups, why not join us?

COURT FIELDS INTER-HOUSE CROSS COUNTRY FUN RUN 2022

An amazing day today and Students were outstanding, with great fun, attitude and effort throughout the whole day! We ran, jogged, skipped and walked round the course!

The fancy dress costumes were nothing short of superb! We are proud of you all for making it such a great day.

Over 600 photos taken which will be uploaded in due course, after we have sieved through them all (some absolute crackers!). An extra special thank you to our Year 10 and Year 11 OCR Sport Leaders for scoring and marshalling.

Year 10 Food Tech

Year 10 have been making meringues and learning about proteins and foam formation.

Year 11 Art

What a lovely way to spend the last double Year 11 lesson before Christmas, so much fun with these cute animals, can't wait until they are glazed.

Art Auction

Watch out for the online art auction taking place in January!

More info to follow.

See poster below.

HOUSE COMPETITION FOR ALL YEARS
Do you draw?
Do you paint?
Do you take amazing photos?
Whatever you do we want to see it, we want to auction it and we want to celebrate the stuff you do!
The Need to Know Bit:
> Any piece of art in any discipline (drawing/ painting/ print/ collage/ mixed media/ photography)
> On canvas/ paper mounted in a frame (title can help with this and printing)
> Name and tutor group on the back
> See Mrs Binmore/ Miss West for more information
> Use the studios if you need to on Thursday lunchtime

Cars Club race report courtesy of Isaac P

Race Rundown - Season 2 Canadian Grand Prix Round 4/12

After an unexpected P3 in qualifying for Wotton, hopes were high going into the race. An almost constant battle at the front, as Logan C started to pull away until engine issues on lap 4 forced him into retirement. Kenan N was next to drop out, as the pit stop phase began and the track dried, Wotton was leading the race, until a mechanical failure sent him out, meanwhile Vinall couldn't keep herself out of trouble, coming in for repairs 4 times during the race. After the 2nd round of pit stops, Hutchinson defended against Cross to take 2nd place, as Pickard stormed away to a 50 second winning margin, taking his first win of the season and bringing the gap to Cross to 29 points after the first 4 races. The racing season is now moving on to Mexico after Christmas.

Year 10 PVA resist images

Year 10 completed their PVA resist images today. Painting with ink proved to be quite tricky. They did a fantastic job!

Winter Happy Healthy Holidays Programme

The Happy Healthy Holidays programme is currently at 73% booked across the county, but there are still areas of Somerset where bookings are low. As a final reminder, please promote these holiday activities and food opportunities to your child who could really benefit from them.

WANTED!

If anyone gets packs of cards, dice or mini screwdrivers in their Christmas crackers, the Maths department would be very grateful if you would donate them in the New Year. Thank you!
