

Court Fields School

Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 2nd December 2022

I can't believe it's December already! We've had a busy week this week with fixtures, the Parent Forum, Year 11 PPEs and the Year 10 Murder Mystery Evening, to name but a few things. Next week is no different with Guess the Staff Member Advent Calendar Tutor Competition, 12 Days of Christmas Rewards, Perfect 10 Rewards, World Cup Weekly Winners, Year 10 Reward Breakfast, Christmas Concert, Year 9 Parents' Evening, and the Cinema Trip for 100 Club and Best Behaviour Club.

In addition, we have our fundraising day for Save the Children's Christmas Jumper Appeal. This year this will take the form of a 'Christmas themed' non uniform day on Friday 9th December. Students can wear a Christmas jumper or red/green/Christmas themed items. This is responding to the difficult financial situation for many families, and the fact that students may not have a Christmas jumper to wear, but we would not wish them to miss out on the opportunity to wear non-uniform and raise money for a good cause.

Thank you as always for your support. I hope you have a lovely weekend. Best wishes, Mrs Matthews

Year 10 Murder Mystery Evening

"Who killed the pop star?" was the question on everyone's lips at this fantastic event organised by Mr Reed and our Year 10 Drama students. Thank you to all those involved and those who came to support a great evening—an opportunity for our students to develop a range of drama skills.

Under 15s County Cup Football

COURT FIELDS 2 - 0 OLDFIELD

Another outstanding performance in the county cup from our Under 15 boys, who overcame a very strong Oldfield School side from Bath to make it through to the last 16. The game was finely poised, until prolific striker Harry J scored with 15 minutes to go. Alfie D scored a cracking free kick from 25 yards to wrap the game up for Court Fields. All the boys were superb, however Harry C was given Man of the Match for yet another solid performance at centre back. Up next is the National Cup Fifth Round tie v Ivybridge.

Trampolining World Age Championships

An outstanding performance from the very talented Jessica V in Year 9, who did amazing to come 11th in the Trampolining World Age Championships. You should be extremely proud of yourself!

CFS Christmas Tree

Thank you to our friends at Langford Lakes who kindly gifted us a fantastic Christmas Tree. Mrs Poole, together with 5 Year 7 students, went to undertake the tricky task of choosing the right tree!

We were lucky enough to welcome Anna Della Valle into school last Friday. Anna who is an Adult Nurse at The Royal London Hospital shared with students her journey through school, college and Plymouth University and how she came to make the decision to start her career in London. Both Year 8 and 9 students were intrigued by the daily tasks Anna is expected to perform and her experience of working during the pandemic.

World Cup Competition

Each week of the World Cup, we will be offering a fantastic prize of a Nike England Strike Football, which can be won by any student with zero behaviour points on the nominated day that week.

The winner will be selected at random, and this week's started on Tuesday!

So, to be in with a chance to win, simply ensure you have zero behaviour points for the day.

Tuesday's lucky winner was Filip L!

Year 9 Basketball

The girls enjoyed their first post covid basketball games this week. Baskets scored, successful wins and team spirit gleaming! Well done girls!

Year 9 Rugby

Outstanding work from the Year 9 rugby team, who came runners up in the district rugby super 8s tournament. They did superbly in difficult conditions, scoring lots of tries and only losing narrowly one game to eventual winners Heathfield.

Year 7 Rugby

Well done to the Year 7 rugby team, who have improved greatly this year and held their own in the CVL Finals this week.

Somerset Careers Fair

We have had a lovely message from BTC, following our Year 10's visit last week and wanted to share this with you:

"I have to say personally I always enjoy meeting and chatting to your students. They are always a lot of fun and it's great that some of them are recognising me. There were a lot of schools that attended and not all schools engaged the way that your students did. I have to say that they came across as polite, respectful and extremely mature. They engaged with different curriculum staff extremely well and I have heard nothing but positive comments about your students across all of the represented curriculum areas. They showed a real interest on what is on offer to them and had lots of questions for the curriculum staff. You should be very proud of your students as they most certainly did your school proud."

Monument Celebration Day

Tuesday 13th December

Inflatables!

Non-uniform day for students in Monument House! Each year will have 1 hour of fun!

Well done Monument house, enjoy your day!
