## Parent Weekly 'What's Happening' Bulletin

### Message from Mrs Matthews

Friday 29th September 2023

Sadly we have had to inform staff and students today that, following being reported missing on Wednesday, one of our former students has tragically died. As you can imagine, we are supporting the family, and all our thoughts are with them at this difficult time. We have signposted support to all our students via ClassCharts and on email. We have also included sources of support for students and emailed these to parents and carers. We will be opening a book of condolence for those students who wish to pass on their thoughts to the family, and this will be available in the Hub for the next 2 weeks, after which we will pass this to the family.

Thank you for your support at this difficult time. Take care, Mrs Matthews
