September 2023

Dear Parent/Carer

It is my pleasure to invite you and your child to the

Year 11 Core GCSE Information Evening on:

Wednesday 4th October 2023, 18:00pm – 20:00 pm

This academic year will be vastly important in shaping the future for your child and a successful set of GCSE results will ensure they are able to progress on to the next stage of their journey through education or employment. As parents, you play a vital role in supporting your child through what can be a challenging and stressful time.

During the evening there will be presentations from **English, Maths and Science** Heads of Faculty, with key information for their subjects and how you as parents can support your child through their GCSEs.

There will also be presentations and an opportunity to speak to representatives from **Richard Huish College, Bridgwater and Taunton College, Exeter College, Petroc College and Space.**

This evening is always well attended by parents and students therefore we have split the Year group in half and both the subject presentations and College presentations will be repeated on the evening.

Students and parents from **11B1, D1 and 11M1** please attend the presentations **in the hall for English, Maths and Science at 18:00.**

Students and parents from **11B2, 11D2 and 11M2** please start the evening with the **Post 16 Colleges in C Block at 18:00.**

To assist you and your child in achieving the very best, we would strongly recommend you and your child attend the Core GCSE Information Evening.

If you are unable to join us, please let us know how we can make it easier for you to attend future events.

Yours sincerely

MR MARTYN DUDLEY
Deputy Head Teacher
