Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

It's been a week of conflicting emotions this week, as we have continued to support our students past and present, following the tragic death of our former student, but also have welcomed families and young people in Years 5 & 6 to our Open Mornings, to enable them to find out more and experience the day to day running of our school. What I think has been most poignant for me across both of these, is the extraordinary support, compassion and teamwork that we are lucky enough to experience from our students, staff, parents and wider community, as well as those who are looking to join us in September 2024 or 2025. We are so very lucky to be part of this community, and I thank you all for your support. With my very best wishes, Mrs Matthews.

Well done Jess!

We are both proud and delighted to see that Jessica V has been selected for the GBR team to compete at the World Age Championships in Birmingham in November. Very exciting and we wish you the very best of luck!

Year 10 Artwork

Well done to Year 10 and how they have started GCSE Art. They are doing fabulously, and this sample of images shows how well they are already working in both chalk and charcoal, and with white pencil and drawing in negative.

Hockey Fixture

This week saw our first fixture of the academic year and first hockey fixture in a very long time! Thank you Castle for hosting.

Hockey hasn't been our main focus, but still great to see students wanting to get involved and taking the opportunities given to them.

There was some great defending and all students worked as a team to support each other. Well done!

Breakfast Club

We are incredibly grateful for the continued support from Wellington Town Council. A further grant this year means we are able to continue to staff the free daily breakfast club. Supported by the National School Breakfast Programme, we offer topped or plain bagels and a range of breakfast cereals, every day from 8.00am in the school hall.

Message from Mrs Matthews for parents, carers and students of the 2022 Leavers cohort:

"Following the tragic news of the death of one of our former students. We are aware that fellow students in the Leavers 2022 cohort need our support at this difficult time, in just the same way as they would if they were still on our school roll. Whilst many will be being supported by their post-16 providers, families and friends, we know that sometime just being with those who can understand how you feel, in a familiar place, can help.

With this in mind we would like to offer those students in the Leavers 2022 cohort a drop-in to the Wellbeing Hub this week and next week, from Tuesday to Thursday 3.30-4.30pm. There will be tea and cake, support from our Pastoral Team, and a lot of friendly faces from across the staff team.

Our former students should simply use the Sensory Garden entrance to the Hub, or come via Reception, to pop in for a chat, some support, or perhaps simply for quiet reflection with friends. We will also have our book of condolence, which former students will be able to sign alongside staff and current students, before we pass it to the family as a mark of respect and remembrance.

We look forward to seeing our Leavers 2022 cohort and supporting you at this difficult time. Best wishes, Mrs Matthews"

Rugby Success!

Well done to our Year 10 Rugby team who are through to the next round of the County Cup, following a 32-26 victory against a good Crispin side.

Community Clubs

Do you run a club for 11-16 year olds in our community? If so, we'd love to hear from you! We're looking to put together a directory of clubs in the local area for our students.

Please share all the details by commenting on our Facebook post or by emailing the school office, and we will help promote the club for you. Thank you!

we want to hear from you!
