Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

17th November 2023

We've had a busy week this week, with Year 11 PPEs, including those over a whole day for Art and Photography, as well as a range of subjects, some of which have included multiple exams on the same day. It's all part of the process of preparing our students for the final exams, as well as identifying where they have gaps in their knowledge or misconceptions, and addressing them over the next 4 months ready for their summer exams starting in May.

Charity, our Careers Advisor and I also were invited to an event run by Barclays featuring local businesses as well as the positive impact of the Barclays Life Skills programme. Oliver B and Oliver S represented some of our students who have benefitted from the programme, and were simply fantastic, networking with local businesses and raising the issue of work experience for young people, which is a challenge to secure. As you can imagine, they were inundated with offers and hopefully this will filter to the rest of Year 10 as they seek placements for July. Thank you and well done to BTC who brought in cake for us this week, to celebrate their Nursing Provision being awarded a Queen's Anniversary Prize 2023. This is a brilliant achievement! Have a lovely weekend, Mrs Matthews

Hockey Fixture

Thank you to Pyrland school for hosting our last hockey fixture of the season. It was a lovely game and a lovely result to end in 0-0.

Player of match voted by Pyrland was Isabelle.

Miss Cridge's player of the match went to Lillah.

Thank you to Olivia for stepping up and going in goal today and well done to all those that have played across all the

Exmoor Challenge

We had a great group of students that signed up and attended the first practice walk last week, in preparation for the Exmoor Challenge 2024. In challenging weather conditions, the students set off to walk from Wellington to Hemyock, returning to school wet, muddy and tired. Showing great resilience and determination, all students finished the walk with a sense of achievement and they should be very proud of themselves.

Thanks to Mr Etherington, Miss Hartley, Mrs Amos and Mrs Bennett.
