Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 7th January 2022

Firstly, a very Happy New Year! I hope that you and your family had a lovely Christmas and holiday period, and were able to relax, celebrate and catch up with friends and family.

It's been great to be back this week, and although it's of course frustrating to have to re-introduce masks in classrooms, it is hopefully a short term measure. As usual our students have been very good at following the guidance and have approached it with their usual mature approach.

Next week we will be back to clubs and enrichment, albeit with separate Year Groups. This is such an important part of our students' personal development, so please do encourage them to go to at least one club/activity per week. Thank you as always for your support. Best wishes, Mrs Matthews
