Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Thank you all again for such a wonderful week. This week we've celebrated Children's Mental Health Awareness Week, with students exploring the theme of growing together, writing letters of advice to their younger selves, and also joining in with Safer Internet Day. We post lots of top tips and advice on our social media feeds, so please keep an eye out. Today we supported Wear Red for Heart Month, raising money for Heart Heroes, Children's Heart Surgery Fund and British Heart Foundation. We will update you on the total raised next week, further donations can be made here: <https://www.justgiving.com/fundraising/courtfieldssch>.

Just a quick note regarding children wearing smart watches in school. These are very expensive, and are brought into school at students' own risk. The same applies to 'airpods'. If students do wear a smart watch in school, it should be switched to 'flight mode' in lessons, so that students are not disturbed by alerts during the lesson. Students accessing their smart watch for messages etc in lessons will be sanctioned as they would for using a mobile phone during lessons. Clocks are provided in all classrooms for timekeeping purposes. Thanks again for your support.

The Great Big Safety Ride

'The Great Big Safety Ride' organised by Citizens UK, Wellington Wheelers, and Taunton area Cycling Campaign, will be taking place Sunday 20th March along the A38 between Wellington and Taunton. The ride has been organised to show Somerset County Council that there is a need for a cycle path to be put in between Wellington and Taunton. Although it is not affiliated to Court Fields School and is not a school trip, we think that our students and families might like to join the ride to show support. It is a free event, and all the details will be given to you on registration regards times and the meet up points. The ride is only escorted one way, marshals will help cyclists with crossing the road to return to either Wellington or Taunton on the back roads. See the poster for the website to join in and get more details.
