

Programme of Trips and Residential Visits

In order to help parents financially plan for residential trips, a programme of anticipated residential visits is listed below. There are additional day trips as part of our curriculum enrichment programme, which include field work visits etc. We would expect this format to continue each year, so parents can have an awareness of when trips will take place, and plan accordingly for more expensive trips should they wish their child to take part.

It is recognised that all residential trips are a valuable addition to the provision for students and I am grateful for staff giving up their time to organise and take responsibility for these trips. It is also important to try and maintain a balance between providing opportunities for students which they may not normally have within the family or extending curriculum opportunities and not excluding and alienating students who cannot afford to participate in residential trips. Some trips relate directly to curriculum provision and Schemes of Learning.

The outline below does not guarantee the trips will definitely run, as this is dependent upon sufficient numbers and staff availability to organise the trips. To help with planning, the following is given as a guideline for expected events and dates:

Residentials	Lead Staff	Year(s)	When
Year 7 Residential	Mrs Westwood	Year 7	September 2024
Auschwitz, Poland	Mrs Battishill, Mrs Mossman	Year 9	June 2024
Paris	Mrs Binmore	Year 7-9	Easter 2024
Spain	Mr Rooke	Year 8-9	June/July 2024
London	CPA staff TBC	Year 10-11	February 2024
Ski Trip	Mrs Greenfield	Year 8-11	February 2024
Year 10 Residential	Mr Rooke/Mrs Westwood	Year 10	Enrichment Days 2024

Day Trips	Lead Staff	Year(s)	When
