GCSE RESULTS DAY

Thursday 24 August 2023

Perhaps you did better than expected, or not as well as you'd hoped. Either way we're here to guide you through the next step.

Don't panic if you haven't achieved the required grade in your English and Maths GCSE. You'll study and retake these subjects alongside your College course and we'll support you all the way.

To discuss your options or find out about courses with places still available, call our GCSE Results Helpline on **01278 441234** or visit **www.btc.ac.uk**.
