Dear Parents/Carers

School Uniform – 2022 Update

Thank you for all of your support and donations for the pop up shops we have organised. Whilst we do plan on having these pop up shops on occasion, I am writing to advise you of an alternative option that can be used all year round, for buying and selling used school uniform

We have teamed up with a company called Grown Out Of It, which will allow parents to buy and sell second-hand school uniform via their secure online platform.

The site – <https://www.grownoutofit.co.uk/register> - is a free service, with no selling or buying fees.

One fantastic element within Grown Out Of It is their donation facility. Sellers are given the option to donate a proportion of the sale price to the school but there is no obligation to do this.

We believe that this additional resource offers parents a cost saving option for school uniform and assists us all in our journey toward a sustainable future for the next generation.

Here is the link to our own page:

In addition, parents who run their own business are also being offered the opportunity to include their business logo and a link to their website on our Grown Out Of It school page for just £10 a month with 10% of that going straight back to our school. You just need to email advertising@grownoutofit.co.uk and state which school you are attached to.

If you have any questions at all, please do contact them at info@grownoutofit.co.uk and they will be more than happy to help.

This letter and the links to the site will be added to the school website; www.courtfields.net

Yours with best wishes
